

# April

On the fourth  
Dayt of Christmas,  
your sweet wife gave  
to you,  
A romantic dinner just  
for two!

Our Date tonight takes place at the Couple's  
Café.

The food we will eat will be a culinary treat, but  
the way to pay will be most unusual.

And of course, the date can not end until the bill  
has been paid in full!
