

June

On the sixth
Dayt of Christmas,
spending time on the
lake,
Will be as easy as a
piece of cake!

This month's date is a night out on the lake.
It doesn't matter if we catch any fish or not,
just spending time away from it all with you will
be more than worth the trip!
Bring the bag for tonight and get some bait and
we are set to have an evening of fun!
