

March

On the third
Dayt of Christmas,
I've got this in the
bag,

Prepare to lose at a
game of laser tag!

Tonight, let's have a nice dinner for two at the
restaurant of your choice.

After dinner, it's game on! Laser tag is the
entertainment tonight. I'm sure we'll have a
few laughs, and make fun memories as we hang
out and shoot lasers with the one we love!
