

# September

On the ninth  
Dayt of Christmas,  
a night of the best,  
Might result in not  
much rest!

To get to tonight's date started, we need to get out the sleeping bags and pillows and blankets! With snacks and a movie, we will have the best sleepover of our lives! Because this will not be a typical sleepover, but this will be a sleepover for a husband and wife!
